

Maryland Native Plant Society Plant Lists

These lists represent the work of different MNPS members over the years. Their accuracy has not been verified by the MNPS. We offer these lists to individuals and other groups as a tool to enhance the enjoyment and study of the plants of different locations in Maryland.

CHARLES COUNTY, MD CHAPMAN'S FOREST

This list includes plants found on March 26, 2006. Field trip led by Rod Simmons. List made by Kirsten Johnson. Nomenclature mostly follows Gleason and Cronquist, Manual of Vascular Plants of Northeastern United States and Adjacent Canada, Second Edition, 1991. An asterisk* beside the name of a plant indicates that it is on the list of Rare, Threatened, and Endangered Plants of Maryland, Maryland Department of Natural Resources, December, 2003.
