

Maryland Native Plant Society Plant Lists

These lists represent the work of different MNPS members over the years. Their accuracy has not been verified by the MNPS. We offer these lists to individuals and other groups as a tool to enhance the enjoyment and study of the plants of different locations in Maryland.

MONTGOMERY COUNTY, MD BEAR ISLAND, C&O CANAL NHP

This list includes plants found on field trips in April and early May from 1997-2005. Field trips led by Cris Fleming. List by Cris Fleming. Nomenclature mostly follows Gleason and Cronquist, Manual of Vascular Plants of Northeastern United States and Adjacent Canada, Second Edition, 1991. An asterisk* beside the name of a plant indicates that it is on the list of Rare, Threatened, and Endangered Plants of Maryland, Maryland Department of Natural Resources, December, 2003.
