

Maryland Native Plant Society Plant Lists

These lists represent the work of different MNPS members over the years. Their accuracy has not been verified by the MNPS. We offer the lists to individuals and other groups as a tool to enhance the enjoyment and study of plants in different locations in Maryland.

WASHINGTON COUNTY, MD

SNYDER'S LANDING, C&O CANAL NATIONAL HISTORICAL PARK

This list includes plants found on field trips in the last week of April from 1993-2007. Field trips led by Cris Fleming. List made by Cris Fleming. Nomenclature mostly follows Gleason and Cronquist, Manual of Vascular Plants of Northeastern United States and Adjacent Canada, Second Edition, 1991. An asterisk* beside the name of a plant indicates that it is on the list of Rare, Threatened, and Endangered Plants of Maryland, Maryland Department of Natural Resources, December 2003.
